Investments

The ESC Region 10 Investment Advisory Committee (IAC) reviews all investment options available in the Plan quarterly. ESC Region 10 selected TCG Advisors, LP, a Registered Investment Advisor, to make investment recommendations and to act as the fiduciary for the investments it recommends. The IAC seeks to provide high-quality, low-cost investments in a broad range of asset classes. Plan participants can direct their own investments or choose a managed portfolio, which is actively managed by the IAC. If you do not choose an investment when you join the Plan, the default investment is the managed portfolio. For more information on the investments in the Plan, including the default investment option, go to www.Region10RAMS.org or call the JEM Resource Partners (JEM), the Plan's Third Party Administrator (TPA). You can change your investment elections at any time by going to this website or calling JEM.
